Our approach to sustainability

ECO FRIENDLY FORMULATIONS

- VEGAN certified
- with over 95% of natural origin ingredients
- RSPO raw materials
- BIO ingredients
- without controversial ingredients (paraben, microplastic, allergens)

ECO FRIENDLY PACKAGING

- packaging with high % of recycled plastic: RPET, PCR
- less plastic packaging
- nature-respecting labels with PP RafClear, Clean Flake, Ocean Action, ForestFilm certificates
- FSC-certified cartons enabling the traceability of wood

ECO FRIENDLY ACTIONS

We are a member of **Ecovadis**, one of the world's most trusted business ratings.

As a member of RafCycle by UPM **Raflatac** program, we recycle used label wisely, contributing to the development of a closed-loop economy.
